

Find and read FollettShelf eBooks from the PV Library on your smartphone or tablet.

Destiny Quest® PV Library Account App

- Download the **free** Destiny Quest® App from the App Store or Google Play
- Point it to the FMS Libraries URL: <http://libraries.fms.k12.nm.us:81> and choose Piedra Vista HS Library
- Login with your own school login and password
- You can do many things with this app:
 - Check your library account to see what books you have checked out / due dates / fines
 - Create your own personal bookshelves and lists
 - Search the PV Library catalog
 - Write your own book reviews to appear in our library catalog

Destiny Discover® Books, eBooks, & AudioBooks App

- Download the **free** Destiny Discover® App from the App Store or Google Play
- Login with your own school login and password
- If prompted, enter PV Library Catalog FollettShelf URL: wbb07476
- You can then search for all PV library resources.
- Read eBooks and listen to AudioBooks from PV Library!
- Use the Bookbag feature to check your account, place “holds” for specific titles, or create a Favorites list.

Caution: using a 3G network (rather than WiFi environment) to download eBooks or audio books and to access databases may result in data charges by your cell phone service provider.

Access PV Databases

AML: Access My Library® School App (Databases)

- Download the **free** Access My Library® School App from the App Store or Google Play
- Choose your state, city, and Piedra Vista H.S.
- Login with **password: cactus**
- Click “Update My Resources”
- You can then access many of our Gale databases and Gale eBooks from your smartphone or iPad

Teen Health & Wellness® Hotlines App

- Download the **free** Teen Health & Wellness® Hotlines App from the App Store or Google Play
- View “Hotlines”
- Login with **username: panthers** and **password: panthers**
- Allow it to “Save” the login/password for you
- You can then access Health Hotlines and Teen Health & Wellness Database

Caution: using a 3G network (rather than WiFi environment) to download eBooks or Audiobooks and to access databases may result in data charges by your cell phone service provider.
